

# Dementia Caregivers Support Group

If you care for someone who has dementia, it can be challenging and exhausting. Please join our caregiver support group to help you and your family as you navigate dementia care.

We'll meet in the conference room at Home Instead. Light dinner will be provided. We'll have an open discussion, sharing stories and strategies to help you deal with the challenges you face as a caregiver of a loved one living with dementia.

*Plenty of free parking is available.*
